

## PERFECT STEAK

We start with the finest Midwest-raised, corn-fed beef. Insisting on USDA Prime or Choice Grades of beef, we offer quality not available at the local grocery store or supermarket.

We then slowly age our beef according to a closely guarded house secret. This aging process is impractical to duplicate at home, and results in a naturally tender, flavorful steak.

The “PERFECT STEAK” is then hand-cut (never frozen) in our own butcher shop, then broiled over a sharp, hot flame from real charcoal that finishes the meat to a sear on the outside—juicy and tender within! Order your steak according to the “How Do You Like Your Steak?” chart below, and we’ll serve it up on a platter—hot and juicy with natural steak au jus.

P.S. At home, you don’t pull your homemade bread out of the oven until it’s golden brown; we can’t serve our tender steaks until they’ve met our strict aging specifications.

Please excuse us if we’re ever out of your favorite cut; it’s just to ensure that every steak will be PERFECT, every time. So, sit back, relax and enjoy the best steak you’ve ever eaten!
