

We start with the finest Midwest-raised, corn-fed beef. Insisting on USDA Prime or Choice Grades of beef, we offer quality not available at the local grocery store or supermarket.

We then slowly age our beef according to a closely guarded house secret. This aging process is impractical to duplicate at home, and results in a naturally tender, flavorful steak.

The "PERFECT STEAK" is then hand-cut (never frozen) in our own butcher shop, then broiled over a sharp, hot flame from real charcoal that finishes the meat to a sear on the outside—juicy and tender within! Order your steak according to the "How Do You Like Your Steak?" chart below, and we'll serve it up on a platter—hot and juicy with natural steak au jus.

PROUDLY PRESENTS...

### The "USDA PRIME" Blue Ribbon Special

At Cattlemen's Steakhouse, we are constantly searching for the finest beef cattle to provide our guests "The Perfect Steak". In our pursuit, from time to time, we are able to obtain a limited supply of USDA Prime beef. Less than 2% of all cattle raised will be selected and graded Prime. Because the supply is so limited it is very difficult to obtain and a little more expensive.

If you are interested in tonight's "Blue Ribbon Special" steak, ask your server for details.
